SRI N. HUTCHMASTHY GOWDA.—One year's rental compensation has been paid. The point is that now that much i.e. 71 acres and 23 guntas are not required. As a result of the joint inspection by the revenue authorities and the P.W.D. authorities it is found that only 22 acres and 24 guntas are required for the purpose. Therefore, the rest of the land will have to be surrendered. For those lands we need not pay rental compensation.

SRI B. B. SAYANAK.—For about 20 acres, is the Government going to pay rental compensation ?

SRI N. HUTCHMASTHY GOWDA.—Certainly ; if the passing of the award is delayed we will have to pay rental compensation.
